Not only is it a great way to get your company’s name in front of decision makers, but it will also associate you with top notch business events. 1si sponsorships offer all members, regardless of size or budget, the ability to promote goodwill, along with their products and services. It is a unique marketing tool that reaches both 1si member businesses and the community, while providing revenue for 1si.

Sponsorships are key in allowing 1si to maintain an affordable dues structure while providing exceptional programs for our members at a fraction of the cost of other organizations. Advocacy Events

The role of One Southern Indiana in promoting a fiscally-stable, business-friendly environment transcends local, regional, state and national issues. Through our Advocacy Council's initiatives, we promote positive change by serving as a "Champion of Ideas" and work to achieve economic and business vitality for the region. Additionally, we strive to provide members access to policy makers at all levels of government through forums, roundtables and one-on-one meetings.

In order to connect our members with policy makers, 1si typically hosts five specific events annually: two events with local elected officials (normally a panel discussion with one for mayors and one for county commissioners), one event with state officials, one event with a federal official, and an Indiana Chamber Legislative Preview. These events are an opportunity for businesses to interact with their elected officials. Dates for 2024 are to be determined.
